About Me:

I am a Computer Science & Engineering student passionate about web development and building user-friendly applications. Strong foundation in HTML, CSS, JavaScript, and Java. Quick learner with an interest in front-end technologies. Team player with good communication & problem-solving skills.

Education:

2024 - 2028 | B.Tech in CSE | GLA University Mathura

2023 - 2024 | Senior Secondary (12th) | SVM Kamla Nagar Agra

2021 - 2022 | Secondary (10th) | SVM Kamla Nagar Agra

Skills:

HTML - 85%

CSS - 75%

Java - 70%

Projects:

Amazon Clone:

Developed a responsive Amazon clone using HTML and CSS, replicating product grid and navigation.

Weather App:

Built a weather forecast app with JavaScript and OpenWeather API integration.
